SCHOLARSHIPS AND BURSARIES *at Vancouver Tap Dance Society*

Introduction

Vancouver Tap Dance Society recognizes that there is a need to provide bursary funding for students that may have a financial need. In addition, VTDS has established a Jeni Legon Scholarship Fund. This policy is intended to describe VTDS's application and acceptance processes.

Policy - Bursary Awards

Each year the Vancouver Tap Dance Society offers full and partial bursary to offset fees in a performance or recreational program.

The criteria for a bursary are as follows:

1. There is a financial need
2. The student is committed to the program and will attend classes on a regular basis.
3. The Executive Director, Academy Manager or TapCo Artistic Director recommends the student to be ratified by the Board.

The bursary only covers class fees and does not include the costs of costume rental/fees, festival fees, or any other cost incurred by enrolment in any of the Academy's programs.

Application Procedure:

Please submit the "Bursary Award Application" form to:
